

The Fabric of Life!
A.C.N. 051 105 287

Brella Classic is the best green backed canvas available and is fully guaranteed for five years. Brella Classic is resistant to tearing, rotting, cracking, peeling and excessive fading. Specially woven with a blend of cotton and polyester yarns, Brella Classic is a fabric which 'breathes', thereby offering unmatched resistance to mildew and abrasion.

Brella Classic is light and strong and will retain its shape long after other fabrics have become sagged and baggy. And with 100% UV protection its colours are less likely to fade, even in the harshest sunlight. The environmentally friendly way to cool your home. Brella Classic requires minimum maintenance and cleaning because it has been designed to protect itself as well as your property. And it comes in a huge range of exciting colours, all finished underneath in a cool, relaxing green.

The New Linear Range of contemporary colours has been created to suit both domestic and commercial properties. Produced using the highest quality pigmented, acrylic-coated polycotton canvas Brella Linear range sets the standard in canvas once again. As with all Brella canvas ranges Linear has all the features you've come to expect from Brella: Resistance to tearing, rotting, cracking, peeling and excessive fading. Specially woven with a blend of cotton and polyester yarns, it offers unmatched the highest level of resistant to mildew and abrasion. Light and strong it retains its shape, requires minimum maintenance and has a 5 year guarantee.

Brella Classic is the very best awning canvas money can buy

— we guarantee it.
